

# Internet URL Paths in myartspace

## URL Path to a gallery

Internet sites are located through what is known as a URL (Universal Record Locator). Your galleries each have a unique URL assigned to them which can be given out via email to people so they can see your work.

There are two ways to get the URL assigned to a gallery. Either way, the first thing you need to do is bring up the gallery on the screen.

The first method is to copy the URL to your clipboard. This is done by clicking on the twin clipboards located in the lower-right of the gallery and highlighted below. A dialog box comes up in red. By clicking on the “copy” button, the URL will be placed in your clipboard. You can “paste” the clipboard results in your email to friends and fans.

The second way in which you can find out the URL to a gallery is simply by bringing up the gallery and clicking on “Send to A Friend”. You can then email yourself and the email you receive will contain a URL path to the gallery.

## URL to your Profile Page

An artist will often wish to send out a URL path to their PROFILE PAGE on myartspace. This is the public page where people can see all of your galleries, your resume, biography, network of contacts, etc...

The easiest way to capture the profile page of an artists is to bring it up on the screen and they highlight the URL path which appears at the top of the browser. In Internet Explorer, right-clicking on the selected text allows you to copy it to the clipboard.

The screenshot shows an Internet Explorer browser window. The address bar contains the URL: <http://www.myartspace.com/artistInfo.do?populatinglist=home&subscriberid=tj2rgny0r9nr23b1>. A right-click context menu is open over the URL, with the 'Copy' option highlighted. The browser's address bar shows 'myartspace > Artist Profile Page'. The page content includes the myartspace.com logo, a navigation menu with options like 'find art', 'my profile', 'my work space', 'community', 'contests', and 'help'. A profile picture of Lois Foley is shown on the left. To the right of the picture, the text reads: 'ARTIST PROFILE PAGE', 'NAME: Lois Foley', 'BIRTH PLACE: Connecticut', 'BIRTH DATE: 10.18.37', and a 'SEND MESSAGE' button. Below this is the 'LATEST GALLERIES' section, which features three gallery thumbnails: 'Abstract Gallery One', 'SOUTH OF FRANCE COMPETITION', and 'Grasses'. On the far right, there are partial views of other website content, including 'Urban Check Blog for Art on www.sitv' and 'Seekir We are with bo reprod Bremonc'.
